

### Sky X9E3 Review

“The Eurocom Sky X9E3 is, to put it bluntly, one heavy bastard, and with that weight comes a sense of durability. The unit feels nice and solid.”

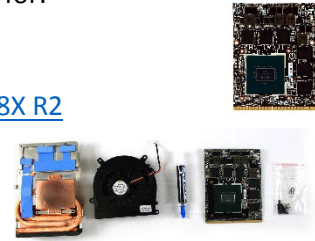

Check out **TECHPOWERUP** [Review](#) of Eurocom’s Sky X9E3

### Upgrade to the GTX 10 Series

Get a GPU upgrade kit for:

### July Laptop Tips from our Support Team

1. With a Synaptic Finger Print Reader, it a Touch not a Swipe
2. Open your LCD lid from the centre, above the webcam not the side.
